

EMPATH SCHOLARSHIP PROGRAM APPLICATION INSTRUCTIONS

Education Criteria:

Because many empaths are now "waking up" and realizing their purpose on Earth, these funds are intended to support the acquisition of any education that will help you become more effective personally and professionally.

Total Money Available: Multiple scholarships with a value of \$495 or \$350 each will be available to the **Empath Academy** on an ongoing basis. Academies are generally run four times a year (mostly February, May, August, and November). Multiple ongoing bonus scholarships (value \$135 each) will be awarded for personal coaching sessions with Dr. Michael Smith. Several bonus scholarships for the Empath Toolkit course will also be awarded.

When will the winner(s) be announced? There are now two deadlines per year, Jan 1st and July 1st. The winners will be chosen by a 3-person panel of judges. You will be contacted by email if you are a winner but you will NOT be contacted if you are not chosen. If you are chosen, you will hear from us generally the week before each academy starts. We thank you in advance for your energy and enthusiasm in applying. (Make sure pr@empathconnection.com is on your list of approved senders).

Essay Instructions:

The essay is limited to 2 pages, double-spaced with standard 1 inch margins and 11 or 12 point font size. Handwritten essays will not be accepted. Priority will be given to those empaths with financial need. In your essay, please persuasively demonstrate how this education will help you personally, interpersonally, and/or professionally, and how the education will help you become a more skilled empath/sensitive person.

In the essay, you may elect to include some reference to each of the following:

- 1) Your financial need (keep this as concise as possible but don't neglect important details).
- 2) The importance of this education to your career goals (if this applies). Will this education help you become more effective in your career? This is of secondary importance.
- 3) How will the intended education help you advance or improve your skills and/or awareness as an empath or sensitive person? (This can take a variety of forms. The education itself may lead to increased spiritual awareness, or increased energetic/body awareness, etc).

Terms & Conditions: If you are chosen as one of the winners, you agree to let us use your full name and location, as well as excerpts from your essay, for the website and newsletter. If you do not agree to these conditions, please do not apply. Please state "I consent to the terms" in your application email.

Application Deadline: Jan. 1st each year and July 1st each year.
